VISION

DAV envisions a strong state of Michigan and its communities, where Veterans, Dependents and Survivors achieve their potential through the following:

- Providing free, professional assistance to veterans and their families in obtaining benefits and services earned through military service and provided by the Department of Veterans Affairs (VA) and other agencies of government.
- Providing outreach concerning its program services to the American people generally, and to disabled veterans and their families specifically.
- Representing the interests of disabled veterans, their families, their widowed spouses and their orphans before Congress, the White House and the Judicial Branch, as well as State and Local government.
- Extending DAV's mission of hope into communities where these veterans and their families live through a network of State-level Department and Local Chapters.
- Providing a structure through which disabled veterans can express their compassion for their fellow veterans through a variety of volunteer programs.

VALUES

DAV envisions a strong state of Michigan and its communities, where Veterans, Dependents and Survivors achieve their potential through the following:

- We are committed to being a good steward of the State of Michigan and the community resources that are entrusted to our care.
- We will be financially efficient with administrative and fund development costs, while expecting the same of our partners.
- Donors are encouraged to contribute to DAV Department of Michigan Charitable Foundation, which provides annual funding for pre-approved programs that focus on quality veteran services as written in our Vision and Mission Statement.
