PATROL BASE ABBATE (<https://www.pbabbate.org/>)

Disabled American Veterans is dedicated to a single purpose: empowering veterans to lead high-quality lives with respect and dignity. We accomplish this by ensuring that veterans and their families can access the full range of benefits available to them; fighting for the interests of America's injured heroes on Capitol Hill; and educating the public about the great sacrifices and needs of veterans transitioning back to civilian life.

Patrol Base Abbate provides a space for all veterans and service members to reconnect around shared interests. We aim to facilitate a rediscovery of purpose so our members can reclaim the best version of themselves in service to their families and their communities.
