SUBJECT: DAV's New Women Veterans Report

We are excited to announce the upcoming release of DAV's third report focusing on the challenges faced by and unique needs of our nation's women veterans—Women Veterans: The Journey to Mental Wellness, Supporting women veterans' mental health and preventing suicide through gender-tailored care.

DAV will be hosting a Capitol Hill lunch and learn event to brief congressional staff on the findings and recommendations in the report, on February 27, 2024, at the Capitol Visitor Center, Room SVC 201-00. This event will be open to the public, but seating is limited.

If you would like more information about the event, please contact the National Legislative Department at LegislativePublic@dav.org.

The report will be officially released and posted to DAV's website on February 27, 2024.
